I'm putting up with your disaster
And your living happy ever after
What is this for
Because if Polly wants a cracker
She's gonna get it even if it takes a little time
And I hope time flies
Cos all I want
Is a piece of mind
I'm giving mine to you
Ooooooooooooooooooooooh

So long
I'll be writing you a letter baby when I'm done
Using you
And our memory for holding place in time
I hope you find
What you're looking for cos baby know I've got mine

You try to shower me with reasons
But it never makes sense to me
And I told myself what I had to
To get myself this far
Cos all I want
Is peace of mind
I'm giving mine to you
Ooooooooooooooooooooooh

So long
I'll be writing you a letter baby when I'm done
Using you
And our memory for holding my place in time
I he you find
What you're looking for cos baby know I've got mine
I've got mine

Yeah I wonder
Oh I wonder
Yeah I wonder
Ooooooooooooooh

Are you still taking your medication

To sleep at night
Did you forget me
Or just cover me up
I've been wondering if it's much too late
I think it's much too late
I think it's much too late

So long
I'll be writing you a letter baby when I'm done
Using you
And our memory for holding my place in time
I hope you find
What you're looking for
I've got mine
Oh I've got mine
I've got mine
Yeah I hope you get yours too
Oh I've got mine
Yeah and I hope you get yours too
