"Destruction Dressed In Pin-Stripe"

Visit "[Destruction Dressed In Pin-Stripe](#)" on MotoLyrics.com

Pin-striped suits, designer boots,
Catalytic cars and idolized stars.
Toxic tabloids, tell-tale tales,
Sell out on life to maximize sales.
Focus in on details, wholesale or retail,
Capitalize, maximize, people can't be franchised.
Number on the paper, statistics in the pile:
When and how did we evolve to fit inside a file?

Awaken your heart, open your eyes,
Turn off your TV, question the lies.
There's nothing to stop change, have some belief,
We're all crying out for it, the world needs relief.

Material measures, penny and pound,
It's about time things changed fucking around.
Labels and bar-codes, processed and tagged,
A human conveyor belt, foil fresh and bagged.
Money making, profit guide,
Indulgent selfish pride.
A soul-less world, with cut throat rules,
Unquestioning ignorance, brainwashed fools

Awaken your heart, open your eyes,
Turn off your TV, question the lies.
There's nothing to stop change, have some belief,
We're all crying out for it, the world needs relief.

We're rotting with greed, dissolving in crime,
A product of currency driven time.
Capitalist corruption; muted destruction,
Blinkered, boxed in, unseeing within.

We're rotting with greed, dissolving in crime,
A product of currency driven time.
Capitalist corruption; muted destruction,
Blinkered, boxed in, unseeing within.
Blinkered, boxed in, unseeing within.
Unseeing within.

Awaken your heart, open your eyes,

Turn off your TV, question the lies.
There's nothing to stop change, have some belief,
We're all crying out for it, the world needs relief.

Awaken your heart, open your eyes,
Turn off your TV, question the lies.
There's nothing to stop change, have some belief,
We're all crying out for it, the world needs relief.
