Me and my baby never get the blues Me and my baby
never get the blues Me and my woman got nothing left
to lose Me and my baby never get uptight Me and my
baby never get uptight Me and my woman never do a
damn thing right Me and my baby always feeling good
Me and my baby always feeling good We love each
other, sure no reason why we should Me and my baby
really got it made Me and my baby really got it made I
get her loving when the other man is paid Me and my
baby living like we should Me and my baby living like
we should We don't act bad 'cause we don't know what
it's like to be good
