There were times in my life  
When I was confused  
There were things between me and God  
That were blocking my view

So I prayed, "Oh dear Lord  
Take these things away so I can see"  
He answered my prayer  
And at the sight of Him I fell to my knees

And until I went onto that fateful trip  
Thought that I was on a sinkin' ship  
Until I went onto that fateful trip  
Thought that I was on a sinkin' ship

Until, I went on a balloon ride  
I can see everything from up there  
I went on a balloon ride  
And now everything seems clear

I went on a balloon ride  
I can see everything from up there  
I went on a balloon ride  
And now everything seems clear

I strive towards infinity  
Though sometimes I don't know what to do  
When other people laugh at me  
All I do is look towards You

Well, on my way, through this life  
Yet something was gone  
I looked round and round  
And then I found I needed someone

So I prayed, "Oh dear Lord  
Fill me up and make me whole  
Presentin' my life  
Jesus Christ, save my soul"

And until I went onto that fateful trip  
Thought that I was on a sinkin' ship

Until I went onto that fateful trip  
Thought that I was on a sinkin' ship

Until, I went on a balloon ride  
I can see everything from up there  
I went on a balloon ride  
And now everything seems clear

I went on a balloon ride  
I can see everything from up there  
I went on a balloon ride  
And now everything seems clear

I went on a balloon ride  
I can see everything from up there  
I went on a balloon ride  
And now everything seems clear

I went on a balloon ride  
I can see everything from up there  
I went on a balloon ride  
And now everything seems clear
