ok so,
who doesn't own a cell phone,
who brought back their,
permission slip because i know,
nobody wants to stay home,
while the rest of us go out and make a day because
the,

Theme parks are so much more fun when the sun's
outside,
and i lost my phone to the lake beneath the batman
ride

The start of something and i dont want to begin it,
their lookin' for trouble but with me it won't be found,
and i regret that i am completey out of daytime
minutes,
so i guess i'll have to wait a lot 'till 8 0'clock comes
around

ok so,
who doesn't own a cell phone,
well ,i dont need,
to ask my friends because i know,
mine was bustin' on my jaw bone,
thanks to all,
those nights and weekends ,

cause themeparks are so much more fun when the
sun's outside,
and i lost my phone to the lake beneath the batman
ride,

when it comes t relationships (im the dumbest one),
and i dont mean just with girls (i mean with everyone),
your illistrations always point out whats just wrong with
me its,
chapstick, and chapped lips, and things like chemistry,

it's chapstick, and chapped lips, and things like,
it's chapstick, and chapped lips, and things like,

it's chapstick, and chapped lips, and things like,
chemistry,

can i relate to you,
the way you relate to me,
can you help me out with my chemistry,
i dont want the people to see the way i am
i just want the people to see the way i am
