Okay, so, who doesn't own a cell phone  
Who brought back their permission slip?  
Because I know, nobody wants to stay at home  
While the rest of us go out and make a day of it

Cuz theme parks are so much more fun when the sun's  
outside  
(na na na na na)  
And I lost my phone to the lake beneath the Batman  
Ride  
They started something, I don't wanna begin it  
(i don't wanna begin it)  
They're looking for trouble, but with me, it won't be  
found  
(with me, it won't be found)  
And I regret that I'm completely out of daytime minutes  
(I don't wanna begin it)  
And so I guess I'll have to wait a lot till 8 o'clock comes  
around

Okay so, who doesn't own a cell phone?  
Well I don't need to ask my friends  
Because I know  
mine was fastened to my jaw bone  
Thanks to all those nights and weekends

Cuz theme parks are so much more fun when the sun's  
outside  
(na na na na na)  
And I lost my phone to the lake beneath the Batman  
Ride  
(na na na na yeah)  
They started something, I don't wanna begin it  
(I don't wanna begin it)  
They're looking for trouble, but with me, it won't be  
found  
(with me, it won't be found)  
And I regret that I'm completely out of daytime minutes  
(I don't wanna begin it)  
So I guess I'll have to wait a lot till 8 o'clock comes  
around

When it comes to relationships (I'm the dumbest one)  
And I don't mean just with girls (I mean with everyone)  
Your illustrations always point out just what's wrong  
with me  
It's chapstick, and chapped lips, and things like  
chemistry

It's chapstick, and chapped lips, and things like...  
It's chapstick, and chapped lips, and things like...  
It's chapstick, and chapped lips, and things like  
chemistry

(instrumental)

Can I relate to you the way you relate to me?  
Can you help me out with my chemistry?  
I don't wanna be perceived the way I am  
I just want to be perceived the way I am
