when i made up my mind
and my heart along with that
to live not for myself
but yet for God
somebody said
do you know what you are getting yourself into?

when i finally ironed out
all of my priorities
and aske God to remove the doubt
that makes me unsure of these
things i ask myself
i ask myself
do you know what you are getting yourself into?

i'm getting into You
because You got to me
in a way words can't describe
i'm getting into You
because i've got to be
You're essential to survive
i'm gonna love You with my life

when He looked at me and said
i kind of view you as a son
and for a second our eyes met
and i met that with a question
do you know what you are getting yourself into?

i'm getting into You
because You got to me
in a way words can't describe
i'm getting into You
because i've got to be
You're essential to survive
i'm gonna love You with my life

i've been a liar and i'll never amount to
the kind of person you deserve to worship You
You say You will not dwell on what i did but rather what i
do you say

i love you and that's what you are getting yourself into

i'm getting into You
because You got to me
in a way words can't describe
i'm getting into You
because i've got to be
You're essential to survive
i'm gonna love You with my life
[repeat x3]

you said
i love you and that's what you are getting yourself into
