No one told me the right way  
The right way to go about this  
So I'll figure it out for myself  
'Cause how much is too much to give you?  
Well, I may never know  
So I'll just give until there's nothing else

(Yeah, I'll give, give, give)  
Until there's nothing else  
(Give my all)  
Until it all runs out

(Give, give)  
And I'll have no regrets  
I'll give until there's nothing left  
I'll give

No one told me  
How bad I need you  
(Need you)  
But I somehow arrived  
At that conclusion all by myself  
(All by myself)

And I want all you have to offer  
(To offer)  
So I'll offer myself  
And I'll just give until there's nothing else

(Yeah, I'll give, give, give)  
Until there's nothing else  
(Give my all)  
Until it all runs out

(Give, give)  
And I'll have no regrets  
I'll give until there's nothing left

(I'll give, give, give)  
Until there's nothing else  
(Give my all)  
Until it all runs out

(Give, give)  
And I'll have no regrets  
I'll give until there's nothing left

Sometimes it seems  
Like all I ever do is ask for things  
Until I ask too much of you  
But that's not the way I want to live  
I need to change  
Yeah, something's got to give, yeah, something's got  
to

(Give, give, give)  
Until there's nothing else  
(Give my all)  
Until it all runs out

(Give, give)  
And I'll have no regrets  
I'll give until there's nothing left to  
(Give, give, give)  
Until there's nothing else

(Give my all)  
Until it all runs out  
(Give, give)  
Give until there's nothing left of me
