No one told me the right way
The right way to go about this
So I'll figure it out for myself

'Cause how much is too much to give you?
Well, I may never know
So I'll just give until there's nothing else

Yeah, I'll give, give, give
Until there's nothing else
Give my all
Until it all runs out

Give, give
And I'll have no regrets
I'll give until there's nothing left
I'll give

No one told me how bad I'd need you
(Need you)
But I somehow arrived at that conclusion all by myself
(All by myself)

And I want all you have to offer
(To offer)
So I'll offer myself
And I'll just give until there's nothing else

Yeah, I'll give, give, give
Until there's nothing else
Give my all
Until it all runs out

Give, give
And I'll have no regrets
I'll give until there's nothing left

I'll give, give, give
Until there's nothing else
Give my all
Until it all runs out

Give, give
And I'll have no regrets
I'll give until there's nothing left

'Cause sometimes it seems
Like all I ever do is ask for things
Until I ask too much of you

But that's not the way
(That's not the way)
I wanna live
(I wanna live)

I need to change
(I need to change)
Yeah, something's got to give
Yeah, something's got to

Yeah, I'll give, give, give
Until there's nothing else
Give my all
Until it all runs out

Give, give
And I'll have no regrets
I'll give until there's nothing left

Yeah, I'll give, give, give
Until there's nothing else
Give my all
Until it all runs out

Give, give
I'll give until there's nothing left
I'll give
