If it hurts, kiss it better  
You wear skirts, I write nice letters  
Never said nothing with flowers  
Though we always talked for hours

And it seems to get much colder  
When you cry on your own shoulder  
And we know the show must go on  
Guess I know, I guess I'll throw on

Some Jefferson Aero Plane  
I'm trapped and I am enclosed  
But I won't complain  
I'll open all the windows

Jefferson Aero Plane  
I'm trapped and I am enclosed  
But I won't complain  
I'll open all the windows

'Cause when it's colder  
I feel much better  
When I cry on my own shoulder  
Just throw on a sweater and go

And I'll go to undergo a change of heart  
A change of clothes  
And when I'm home, I think I'll go eat cereal  
And stare out the window

I'll make the calls you cover your ears  
Niagara Falls, still flows on New Year's  
I will save your plunging neck-line  
Kiss your face, you try to deck mine

If I behave it's gonna cost him  
Skip the rave in Downtown Boston  
We all know the show must go on  
Guess I know, I guess I'll throw on

Some Jefferson Aero Plane  
I'm trapped and I am enclosed

But I won't complain  
I'll open all the windows

Jefferson Aero Plane  
I'm trapped and I am enclosed  
But I won't complain  
I'll open all the windows

'Cause when it's colder  
I feel much better  
When I cry on my own shoulder  
Just throw on a sweater and go

And I'll go to undergo a surgery  
To purge me of this lonely mood  
And my ego, the status quo  
Provides me with a decent attitude

And I'll go to undergo a change of heart  
A change of clothes  
And when I'm home, I'll think I'll go eat cereal  
And stare out the window

'Cause you confused me more than anyone  
An adjustment has begun  
To let me feel the desperate need  
To leave what we undid undone

And maybe you could sympathize  
With the bags under my eyes  
And we'll see the signs are saying  
That we have used up all our tries

To be a better person  
To be a better friend  
To be a better son  
He tries to be a better someone

That understands the difference  
And that he can't show all the people  
All the things that really mean  
As much as he could

Feels like I don't remember  
Ever being this tired  
Before now my eyes were closed  
To all of the beauty in this world

Jefferson Aero Plane  
I'm trapped and I am enclosed  
But I won't complain

I'll open all the windows

Jefferson Aero Plane  
I'm trapped and I am enclosed  
But I won't complain  
I'll open all the windows

'Cause when it's colder  
I feel much better  
When I cry on my own shoulder  
Just throw on a sweater and go

And I'll go to undergo a surgery  
To purge me of this lonely mood  
And my ego, the status quo  
Provides me with a decent attitude

And I'll go to undergo a change of heart  
A change of clothes  
And I'll go, oh yes, I'll go  
And the new me shows so everybody knows

That I've found myself able to fly away  
Without magic feathers  
Or Jefferson Aero planes  
I've got with me all that I need
