IF it hurts, kiss it better
You wear skirts, I write nice letters
Never sent nothing but flowers
Though we always talked for hours

And it always seemed to get much colder
When you try on your own shoulder
But we know the show must go on
Guess I know I guess I'll throw on

Some Jefferson Airplane, I'm trapped and I am
enclosed
But I won't complain or open all the windows
Some Jefferson Airplane, I'm trapped and I am
enclosed
But I won't complain or open all the windows
Because when it's colder I feel much better
When I cry on my own shoulder, just throw on a sweater
and go

And I'll go to undergo a change of heart
A change of clothes, and when I'm home
I think I'll go eat cereal and stare out the window

I'll make the calls, you cover your ears
Niagara Falls still flows on New Year's
I will save your plunging neckline
Kiss your face, you try to deck mine
If I behave, it's gonna cost 'em
Skip the rave in downtown Boston
We all know the show will go on
Guess I know I guess I'll throw on

Some Jefferson Airplane, I'm trapped and I am
enclosed
But I won't complain or open all the windows
Some Jefferson Airplane, I'm trapped and I am
enclosed
But I won't complain or open all the windows
Because when it's colder I feel much better
When I cry on my own shoulder, just throw on a sweater
and go

And I'll go to where the weather's nice and warm
And I'll go there since I am reborn
And I'll go because in my dreams I can't complain
And I'll fly in my Jefferson Airplane

'Cuz you confuse me more than anyone
Uninjustment has begun to let me to feel the desperate
need
To leave what we did left undone, to be a better person
To be a better friend, to be a better someone
