"Outro"

I swear this to you
I wish that this was not the truth
But it's something that you fell into
And crawling out is hard when you
Are not so sure it's what you want to do

(I swear this to you)
When a nightmare finally does unfold
(I wish that this was not the truth)
Perspective is a lovely hand to hold
(But it's something that you fell into)
Perspective is a lovely hand to hold
(The choice is hard to make when you
Are not convinced it's what you wanna do)

When a nightmare finally does unfold
Perspective is a lovely hand to hold
