There was a time when I was scared of nothing  
Nothing can touch you if you don't look back  
I walked away from every good thing that I had

By the time I met you it was 12 past midnight  
Told you I'd be the best you never had  
You said "Are you serious?"  
I said like a heart attack

But it was far too late before I figured it out.  
I never meant to be your, I never meant to be your  
One night, one mistake.

I never meant to be your part-time lover  
Then again I've never been a full-time man  
Never though it'd hurt so bad to see you with another  
Guess I'm the fool that ya, ya think I am

I never called you like I know I should of  
Thought I could save you for a rainy day  
I bet the sun was shining when I let you slip away

But it was far too late before I figured it out  
I bet the sun was shining, I never meant to be your  
One night, one mistake

I never meant to be your part-time lover  
Then again I've never been a full-time man  
Never though it'd hurt so bad to see you with another  
Guess I'm the fool that ya, ya think I am

I never meant to be your part-time lover (part-time  
lover)  
Then again I've never been a full-time man  
Never though it'd hurt so bad to see you with another  
Guess I'm the fool that ya (Guess I'm the fool that ya)

I never meant to be your part-time lover  
Then again I've never been a full-time man  
Never though it'd hurt so bad to see you with another  
Guess I'm the fool that ya, ya think I am

I never meant to be your fool  
I never meant to be your fool  
I walked away from every good think that I had.
