I know that I've come a long way  
My heart's headed in the right place  
But sometimes your past's hard to face  
But now I know you  
Ba dap ba

There was another time in my life  
There was another time in my life  
Oh oh  
There was another time in my life  
Before I knew you  
Ba dap ba

Sailed through the high winds and waves  
I wondered if I could be saved  
But I have emerged unscathed  
Because I know you  
Ba dap ba

There was another time in my life  
There was another time in my life  
Oh oh  
There was another time in my life  
Before I knew you

Before I knew you  
Before I could see  
That you could take all my troubles from me  
Before I knew you  
I was so incomplete

There was another time in my life  
There was another time in my life  
Oh oh  
There was another time in my life  
Before I knew you

There was another time in my life  
[There was nother time in my life]  
There was another time in my life  
Woah oh  
There was another time in my life

Before I knew you  
I was incomplete
