Feelings, inside my head
I don't know, but I'm thinking about you
Understand that it's so hard to tell you
'Cause you already know
You already know

When it's twice as hard to realize
That I'm still trying twice as hard to satisfy
Myself on my own
And I'm still waiting for things to change

I lay my life before you
And I'm not getting up
Father, how I adore you
Those words are not enough

Feelings, inside my head
I don't know, but I'm thinking about you
Understand that it's so hard to tell you
'Cause you already know

Father, know I love you, and know I am wrong
Lord, please take my life
Make me your son
Make me your son

I lay my life before you
And I'm not getting up
Father, how I adore you
Those words are not enough

I lay my life before you
And I'm not getting up
Father, how I adore you
Those words are not enough

When it's twice as hard to realize
That I'm still trying twice as hard to satisfy
Myself on my own
And I'm still waiting for things to change

I lay my life before you

And I'm not getting up
Father, how I adore you
Those words are not enough

I lay my life before you
And I'm not getting up
Father, how I adore you
Those words are not enough

I lay my life before you
And I'm not getting up
Father, how I adore you
Those words are not enough

I lay my life before you
And I'm not getting up
Father, how I adore you
Those words are not enough
