So we drive as fast as we can go
Through the black night black ice and the snow
Until we see the street signs and we know
We are coming home

Good tidings we bring
To you and your kin
Good tidings for Christmas
And a happy new year

We wish you a merry Christmas
We wish you a merry Christmas
We wish you a merry Christmas
And a happy new year

We wish you a merry Christmas
We wish you a merry Christmas
We wish you a merry Christmas
And a happy new year

And so when the words we sing are gone
Pray God's blessing continues on
And you laugh and compliment this
Merry Christmas

Good tidings we bring
To you and your kin
Good tidings for Christmas
And a happy new year

We wish you a merry Christmas
We wish you a merry Christmas
We wish you a merry Christmas
And a happy new year

We wish you a merry Christmas
We wish you a merry Christmas
We wish you a merry Christmas
And a happy new year
