What have you been doing lately?
Your life could use improving greatly
I just wanted to know what's going on
But everything that goes is going wrong

What have you been doing lately?
Your life could use improving greatly
I just wanted to know what's going on
But everything that goes is going wrong

When I saw Justin
He said he was just in visiting on spring break
I said, "What a surprise
You're one of those guys I haven't seen since 1998"

We talked for a while, and I tried to smile
As he told me about his college life
Parties Fridays through Thursdays, but not for
birthdays
He's acquired a taste for Miller Lite

Pardon me while I throw up
I guess some people never grow up
What happened to the salvation you claimed?
It breaks my heart to see how much you've changed
It breaks my heart to see how much you've changed

What have you been doing lately?
Your life could use improving greatly
I just wanted to know what's going on
But everything that goes is going wrong

What have you been doing lately?
Your life could use improving greatly
I just wanted to know what's going on
But everything that goes is going wrong

And then there's Vanessa
Her life got so messed up
She just can't get along
Her emotions they can't cope
'Cause she's lost all hope

She can't see right from wrong

Rationality left her or shrunk
With her sweater, she's a fanatic
She's over the edge, she needs lemon pledge
To clear those cobwebs from her attic

Pardon me while I throw up
I guess some people never grow up
What happened to the salvation you claimed?
It breaks my heart to see how much you've changed
It breaks my heart to see how much you've changed

What have you been doing lately?
Your life could use improving greatly
I just wanted to know what's going on
But everything that goes is going wrong

What have you been doing lately?
Your life could use improving greatly
I just wanted to know what's going on
But everything that goes is going wrong, yeah
