You've got the crazies, you've really got 'em bad
There's no easy way to say you're going mad
You've scared the kids with all of your fits
And now your neighbors are so sick of it

You're really trying
Yeah, you're really trying
Those voices in your head would rather see you dying

You're really trying
Yeah, you're really trying
Those voices in your head would rather see you dying

I hope you find it
Yeah, I hope you find it
'Cause you can't do what you put your mind to

You're yelling at the students in Section C
Science fiction was the place to be
You're getting rowdy from the tone in your voice
You can't believe these people think it's your choice

You're really trying
Yeah, you're really trying
Those voices in your head would rather see you dying

You're really trying
Yeah, you're really trying
Those voices in your head would rather see you dying

I hope you find it
Yeah, I hope you find it
'Cause you can't do what you put your mind t
