[Meelah]

You've got me pullin' out my weave  
You got me cutting off my hair  
You've got me so stressed out  
[I can't think straight like you don't even]  
Care how you do me like you do  
Got the nerve to try and rule  
Me like I'm your child  
[I hate your style, you too buck wild]

1 - Why you do, what you do  
Keep on actin' like a fool  
Treat me bad, treat me cruel  
So I've gotta go

Why you do, what you do  
Keep on actin' like a fool  
Treat me bad, treat me cruel  
So I've gotta go

[Meelah] (Missy)  
Boy, I done had it up to here  
So let's get one thing clear  
Won't you check this out  
[I'm not your girl, you're not my man]  
(Understand) If this you don't know  
Then I will tell you so  
Get your hands off me  
[Just let me go and let me be]

Repeat 1

[Missy]  
Izzy izzy izzy  
Party people move side-to-side  
Let this joint go on bumpin' ya ride  
Let the whole world feel it  
Kick the bass, the low's and high's  
Tell 'em crank that joint one time, ooh

Party people move side-to-side

Let this joint go on bumpin' ya ride  
Let the whole world feel it  
Kick the bass, the low's and high's  
Tell 'em crank that joint one time, ooh

Repeat 1

[Meelah]  
Why you do the things you do?  
Keep on actin' like a fool  
Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh

Why you do the things you do?  
Keep on actin' like a fool  
Ooh, ooh, ooh  
Ooh, ooh

[702] (Missy)  
Why you do, what you do  
(What you do)  
Keep on actin', like a fool  
(Keep on actin' like a fool)  
Treat me bad, treat me cruel  
(Treat me bad, ooh)  
So I've gotta go...  
(Let me hear ya say)

Why you do, what you do  
(Uh, uh)  
Keep on actin', like a fool  
(Uh, uh)  
Treat me bad, treat me cruel  
(Uh, so)  
So I've gotta go...  
(I've gotta go, uh uh)
