Crystal Johnson = >  
my baby left me last night  
and then I met his best friend  
and he took me to his house  
and I said...I said...  
(what you said baby) >let me tell you what I said  
Put it in my mouth  
She said put it in her mouth  
I said my muthafuckin mouth  
I mean her muthafuckin mouth  
Put it in my mouth  
She said put it in her mouth  
my muthafuckin mouth  
Verse  
You wanna go down why not  
I be like Herbie and han you a cock  
and tell you that my name is AK

but don't give me no Ralph Loren grin  
if your not down to go low >deep in my mouth
