Now I can't trust none of these hoes nowadays
Cause they be runnin round with that shit called AIDS
and every girl I meet nowadays is lit
So I can't to do them what I would to do you, so...
Another session, check in session
Dogg Pound Gangstaz
[Dat Nigga Daz]
I'm on top of the world, with niggaz with perms and
jheri curls
Runnin around town with the flyest girls
Ain't no place like home, nigga that I can call my own
Smokin dove sacks and quarter pounds down to
ozones (who you?)
I'm Dat, Nigga, D-A to the Z (uh-huh)
A motherfuckin playa, for the D-P to the G
[Kurupt]
Connectin lyrics like dot to dot, connectin blocks
I concoct vocals that's libel to make your heart stop
Termination completed, and I'm out like the seasons
Murderin MC's for no fuckin apparent reason
(motherfucker)
Dis, lyricist, kicks lyrics
so intent to disable to kill your whole vocals existance
Like in for instance, the murderous methods of my
ridin
The Thunderdome, niggaz had em squabbin
Shit, all I know is you could talk that talk (this Dogg
Pound)
and you best to be able to walk that walk, because
we ride right, daylight, or after midnight
Game Trump tight, down to dump on sight
Call me the sniper with mo' chips than Wesley Snipes
Niggaz oppose me to get cracked like the pipe
Born in the East, raised a G on the West
Westide, smokin and rollin with a S on my chest
[Dat Nigga Daz]
I roll swift as a pigeon, diggin niggaz graves in tomb
stones alone
One on one, microphone or phone
Stampedin like a heard of buffalo you tumble
Now when you try to get up, motherfucker you

stumbled

Now it's a must that I can bust, from the shots from my
12 gauge

dust to get you high blown in the meanwhile my profile
of my styles unusual from a buckwild child

But in the meanwhile...

I can tear that ass off be like an Al B. song

I maul fifty MC's, divided just by one

Now who's the greatest motherfucker other than
myself

Droppin lyrical vitamins for your health, motherfucker
chorus

One by one, we'll start to subtract

And see how many motherfuckers got your back

Cause when it comes down to it, we outs to clown

It's them Dogg Pound Gangstaz, puttin it down

(repeat 2X)

[Dat Nigga Daz]

Now picture that ass and frame it, what a shame
motherfucker to remain to obtain game

[Kurupt]

I'm on another journey, my mind set on twisted

gettin twisted and twist this fool for his grip then dash

Daz in the Jeeps that the church drive

cause he don't give a fuck, and down to put in work

And this is how it's done like one two three

Kurupt, and I'm quick to fuck shit up on G.P., lethal

There's no stoppin me, top notch, there's no equal
to the philosophies that I concoct

[Dat Nigga Daz]

We makin examples out of motherfuckers like you

Nigga there's no idea, nigga, and there's no clue, you
through

You outta here motherfucker, finished you scared
admit it

Your new album... shiiit!

So realize with your two eyes that my rhyme hypnotize
just like Jim Jones bapnitized his followers

The wrath, of the slaughter, have you ever heard of a
serve from my homey now he rhyme for baby sharks
(and I)

I load for ammo for ammo the young hollow is dippin
to Pomona Ave to ride up on you on the corner

It's kinda cold, how his ass got smoked (well alright)

And now you know that we ain't no joke

[Kurupt]

I never trust a busta, so I never trust yo' ass

Hope you got satellites around when we bust yo' ass

I peeped you out the sides of my eyes, cause I be
peepin

Murderous situations, you got yourself knee deep in

You're walkin around while you're sleepin
So awake yourself nigga then break yourself
And I don't give a fuck if your money is spent
I want your hat to your clothes cause dollars make
sense
I got so many hoes on my dick, I gotta shake hoes
and I'm controllin mines, like Waco
Texas, Mr. Flossy in the Lexus
Super supreme I plot schemes like Stephen King and
chorus
DPG, yeah I thought you knew, DPG
Yeah yeah yeah, yeah yeah yeah, DPG
*etc
