You gotta save your heart, you gotta save your heart You gotta save your heart, you gotta save your heart for me

Woke up in the morning and my head is all messed I must have made it through the loneliness But I can't find another your address better run, you now

Everywhere I go, all I see is your face There's something missing that I can't replace I turn around but is not you, will we ever meet again ?

You gotta save your heart, you gotta save your heart You gotta save your heart, you gotta save your heart for me

No matter what I do, I can't let go, I got to find a way to let you know

But I do spin around and around you now You got me going crazy, can't you see That I was made for you and you for me ? If not the day I know, tomorrow I will be with you again

You gotta save your heart, you gotta save your heart You gotta save your heart, you gotta save your heart for me

Don't you, don't you, don't you forget about Don't you, don't you, don't you forget about Don't you, don't you, don't you forget about me, yeah.

You gotta save your heart, you gotta save your heart You gotta save your heart, you gotta save your heart for me

You gotta save your heart, you gotta save your heart You gotta save your heart, you gotta save your heart for me

Don't you, don't you, don't you forget about Don't you, don't you, don't you forget about Don't you, don't you, don't you forget about me, yeah. MotoLyrics.com | Lyrics, music videos, artist biographies, releases and more.
