I said baby, would you mind if laid down? Would you  
mind if I laid down?  
I'm so tired, and I think my dreamer keeps calling me  
higher, calling me higher

So I soft-sank into a sea, and There I saw you, There I  
saw you  
I swam hard, under mountain tide, but I was  
Caught by the wayside, caught by the wayside

Let me tell you, before I forget to  
I left my heart there where I first met you  
What was I supposed to do, how was I supposed to tell  
you?  
Your voice shakes like Spring Flowers Too Soon
