my baby left me
left me sad and blue
i didnt know what to do
without my baby (6x)
and then i met his bestfriend
and he took me to his house
and i said oh i said oh i said
put it in my mouth
(guy)
she said put it in her mouth

i said my mother fucking mouth
(guy)
i mean her mother fucking mouth
put it in my mouth
(guy)
she said put it in her mouth

i said my mother fucking mouth
(guy)
i mean her mother fucking mouth
u wanna go down, y not
i'll be like herby and hand you a cock
and tell u my name is ock
get on ur knees
make like the breeze, begin to blow
but dont give me any ralph lauren grin
if ur not down to go low
im all about mouth fucking
only if ur down for dick sucking
if not bj and bear keep truckin
fuck chap sticks
im cumming ashes
hell with chap sticks for ur chap as lips
treating ur teeth like dentists
as im rubbing them
with an erection like injections
fuck it i'll be druggin them
meming up ur time so like embosore
anastetic cumming down ur throat like chloriseptic
no time for apologi'n

girlfriend if ur swallowing, gargling
im giving bitches permanent bizz so put ur lips here
and test these damn facial
hairs in ur mouth
put it in ur mouth
