Alone with You is where I need to be
Where there's more You Jesus
And less of me
If You call me I will come
And if You draw me I will run to Your side
To be alone with You
(repeat x1)

You were there for me
Even when no one was around
You showed me mercy
When there was no hope to be found
You were my strong defense my shield yeah
When I couldn't stand on my own
Now I just want to be alone with You

Alone with You is where I need to be
Where there's more You Jesus
And less of me
If You call me I will come
And if You draw me I will run to Your side
To be alone with You

You were there for me
Even when no one was around
You showed me mercy
When there was no hope to be found
You were my strong defense my shield
When I couldn't stand on my own
Now I just want to be alone with You
(repeat x2 more)

Now I just want to be alone with You
Now I just want to be alone with You
Now I just want to be alone with You
