Buddy crashes through the kitchen
Crazy hair and bloodshot eyes
Wishin' there was an invention
To cure the state of his demise

Blame it on the universe
Goodbye, Buddy Jo
It's late, you know but you can't hear us
Goodbye, Buddy Jo

We laughed so hard, we are delirious
Buddy hears what Buddy wants to
The rules of verse do not apply
You wonder if he understand you
When he's so twisted up inside

Blame it on the universe
Goodbye, Buddy Jo
It's late, you know but you can't hear us
Goodbye, Buddy Jo

We laughed so hard, we are delirious
Where were you in '82,
When the van was rollin' out
Did I see you wavin' us goodbye

You think too much, we just lost touch
And now we're back again
We're here to help you drink the bottle dry
Buddy crashes through the kitchen
Crazy hair and bloodshot eyes

Goodbye, Buddy Jo
It's late, you know but you can't hear us
Goodbye, Buddy Jo
We laughed so hard, we are delirious

Goodbye, Buddy Jo
It's late, you know but you can't hear us
Goodbye, Buddy Jo
We laughed so hard, we are delirious
