I see more with my eyes closed
Then you'll know before the day is new
No matter what your lips say
You're a window which I am lookin' through

I'm waitin' for the band to play
A song to carry me away

I'm drownin' in your tears
Do you revel in this pain?
I'm drownin' in your tears
They roll down your face like fallin' rain

Is this all that I live for
Or is there a door which I have not been through?
Can we go on believin'?
But there's a reason to hold on like we do

Now what else is there I can say
To make your heartache go away?

I'm drownin' in your tears
Do you revel in this pain?
I'm drownin' in your tears
They roll down your face like fallin' rain

Forever you'll be a part of me
As sure as the air is ours to breathe
I'm hopin' that we will find a way
For us to walk on our separate ways
Umm umm

I'm waitin' for the band to play
A song to carry me away

I'm drownin' in your tears
Do you revel in this pain?
I'm drownin' in your tears
They roll down your face like fallin' rain

I'm drownin' in your tears
Do you revel in this pain?

I'm drownin' in your tears
They roll down your face like fallin' rain
