Run, hide from the sun  
Follow the tracks laid by a thousand losers  
Some, never believed  
Never could read  
Between the lines of love

Do I feel better now?  
(Now)  
I mean I think I gotta get you back somehow  
I tried to drink you off my mind  
But haven't yet  
No you're not easy to forget  
Easy to forget

Fate, opened the gate  
And emptied the house dry for an alibi  
But you, crawled to the edge  
And hammered a wedge  
Between my heart and soul

Do I feel better now?  
I mean I wish that I could get to you somehow  
I tried to drink you off my mind  
But haven't yet  
Ohh you're not easy to forget  
Easy to forget

Baby let me take you home  
I got a record that I think you used to own  
Baby let me take you home  
It'll be like when we met  
Now is that easy to forget?

Ooh ooh ooh ooh ooh ooh

So do we know any better now?  
I mean I think we've got to get in touch somehow  
I tried to drink you off my mind  
(Mind)  
But haven't yet  
Ohh you're not easy to forget  
Easy to forget

Easy to forget

No you're not easy to forget

No you're not easy to forget

Ooh, no you're not easy to forget
