Oh the times they are a changin'  
I can feel it in the air  
Oh can't you hear the bells of freedom  
Ringin' everywhere?

And if you look across the ocean  
You will see a shining light  
And I know that come tomorrow  
Everything will be alright

'Cause everyday people, are makin' a sound  
They're gettin' together, and standin' their ground  
You can build up the wall, but we'll tear it down  
We are everyday people

And our numbers are many  
But our hearts beat as one  
We will fight to the finish  
'Til the battle is won

For the right to be free  
In a world without war  
In a land where the giants  
Can no longer ignore

The voice of our children  
Who are cryin' revolution  
Who inherit our pollution  
If we don't change our ways

Oh, everyday people, are makin' a sound  
They're gettin' together, and standin' their ground  
You can build up the wall, but we'll tear it down  
We are everyday people

Everyday people, are makin' a sound  
They're gettin' together, and standin' their ground  
You can build up the wall, but we'll tear it down  
We are everyday people

Everyday people, are makin' a sound  
They're gettin' together, and standin' their ground

You can build up the wall, but we'll tear it down  
We are everyday people

Everyday people, are makin' a sound  
They're gettin' together, and standin' their ground  
You can build up the wall, but we'll tear it down  
We are everyday people

Everyday people, are makin' a sound  
They're gettin' together, and standin' their ground  
You can build up the wall, but we'll tear it down  
We are everyday people

Everyday people, are makin' a sound  
They're gettin' together, and standin' their ground  
You can build up the wall, but we'll tear it down  
We are everyday people
