So no one told you life was gonna be this way
Your job's a joke, you're broke, your love life's D O A
It's like you're always stuck in second gear
When it hasn't been your day, your week
Your month or even your year but

I'll be there for you
(When the rain starts to pour)
I'll be there for you
(Like I've been there before)
I'll be there for you
('Cause you're there for me too)

You're still in bed at ten and work began at eight
You've burned your breakfast so far things are going
great
Your mother warned you there'd be days like these
But she didn't tell you when the world
Has brought you down to your knees that

I'll be there for you
(When the rain starts to pour)
I'll be there for you
(Like I've been there before)
I'll be there for you
('Cause you're there for me too)

No one could ever know me, no one could ever see me
Since you're the only one who knows what it's like to be
me
Someone to face the day with, make it through all the
rest with
Someone I'll always laugh with
Even at my worst, I'm best with you, yeah

It's like you're always stuck in second gear
When it hasn't been your day, your week
Your month, or even your year

I'll be there for you
(When the rain starts to pour)
I'll be there for you

(Like I've been there before)
I'll be there for you
('Cause you're there for me too)

I'll be there for you
(When the rain starts to pour)
I'll be there for you
(Like I've been there before)
I'll be there for you
('Cause you're there for me too)
