So no one told you life was gonna be this way (fast clap
4x)

Your jobs a joke, you're broke, your love life's D.O.A.

It's like you're always stuck in second gear
When it hasn't been your day, your week, your month,
or even your year
but...

I'll be there for you
When the rain starts to pour
I'll be there for you
Like I've been there before
I'll be there for you
'Cuz you're there for me too...

You're still in bed at ten
And work began at eight
You've burned your breakfast so far
Things are goin' great

Your mother warned you there'd be days like these
But she didn't tell you when the world has brought
you down to your knees that

I'll be there for you
When the rain starts to pour
I'll be there for you
Like I've been there before
I'll be there for you
'Cuz you're there for me too...

No one could ever know me
No one could ever see me
Since you're the only one who knows
What it's like to be me
Someone to face the day with
Make it through all the mess with
Someone I'll always laugh with
Even on my worst I'm best with you, yeah

It's like you're always stuck in second gear

When it hasn't been your day, your week, your month,
or even your year...

I'll be there for you
When the rain starts to pour
I'll be there for you
Like I've been there before
I'll be there for you
'Cuz you're there for me too...

I'll be there for you
I'll be there for you
I'll be there for you
'Cuz you're there for me too...
