"Save Me"

I'm all alone when the sun goes down
What I wouldn't give to have someone around
As the nights are endless and dreams are few
But when they come, well they never come true

And so it goes
No one even knows
The pain behind the smile
How all the while I'm cryin'

Save me, someone save me
Save me, someone save me
'Cause I've been savin' myself for her too long
It's time I'm movin' on, won't you save me?

Too many memories in this old town
My face turned up to meet the rain
The rain that's fallin' down
Let it come

And so it goes
But no one even knows
The pain behind the smile
How all the while I'm dyin'

Save me, someone save me
Save me, someone save me
'Cause I've been savin' myself for her too long
It's time I'm movin' on, won't you save me?

Are you gonna be the one to make it right
Or am I only dreamin'?
Baby am I dreamin'?
Tell me, am I dreamin'?

And no one even knows the pain behind the smile
Baby, baby, baby, baby, they don't know
They don't know that I'm cryin' all the while
All the while

Somebody save me, save me
Save me, somebody save me

Save me, save me
Save me, someone save me

'Cause I've been savin' myself for her too long
This time I'm movin' on, won't you save me?
Save me, save me
Can't you see that I've been lonely?

Save me, save me
Save me, save me
Save me, save me
