I don't want you
But I'm inclined to
I think you're the only fool like me

And if you want to
You could hurt me now
And bring me a world of misery

I don't wanna make you
I just wanna take you down
To the cool, clear water
Under the sun filled sky

Well, I need you and you need me
God alone knows why
God alone knows why

And if you want to
Have someone to love you now
Why shouldn't it be a fool like me?

'Cause we're the only ones laughin'
At Shakespeare's Tragedy
And wouldn't you miss my company?

I don't wanna make you
I just wanna take you down
By the cool clear water
Under the sun filled sky

Well, I need you and you need me
God alone knows why
God alone knows why
God alone knows why

I don't want you
Well, I'm inclined to
I think you're the only fool like me

Won't you meet me down
By the cool clear water
Under the sun filled sky?

Well, I need you and you need me
God alone knows why, oh yeah
By the the cool clear water
Under the sun filled sky

Well, I need you and you need me
God alone knows why
God alone knows why
Knows why
God alone knows why
