"Summertime"

I see the world pass by, dressed in their winter blues
A tear in my eye for someone that I knew
And ya, you know it won't be long before I melt away
Like a river runs into the bay

Today the sun is hidin', tomorrow it will shine

Woah woah woah, in the summertime
Woah woah woah, in the summertime

I feel it in the air, yeah I can feel it in my bones
I see you lyin' there, out of reach and all alone
Can you show me where we did fall and break?
'Cause we're losin' light and it's gettin' late

And I can't see the place where we're together
Forever in my mind

Woah woah woah, in the summertime
Woah woah woah, in the summertime

You walk through me like an open door
Closer to me than anyone before
Only to lose you in the end

Today the sun is hidin', tomorrow it will shine

Woah woah woah, in the summertime
Woah woah woah, in the summertime
Woah woah woah, in the summertime
Woah woah woah, in the summertime
