Now they say a man, ain't supposed to cry
Then why do I have tears in my eyes?
If I were half as strong, as the steely sun
Then I could mend what I have undone

No this house is not a home
No this house is not a home
No this house is not a home
Without you

And what I mean to say, is that I need you now
And I'm sorry if I hurt you somehow
So if it's in your heart, to bring it home to me
Then we can get it back the way it should be

Ho, this house is not a home
No this house is not a home
No this house is not a home
Without you

And with God, as my witness
(And with God, as my witness)
This I swear to you
(This I swear to you)
With my heart, I do promise
(With all my heart, I do promise)
I will love and honor you
(I will love and honor you)

Now if it's in your heart
To bring it home to me
Then we can get it back
The way it should be

Ho, this house is not a home
No this house is not a home
No this house is not a home
Without you

No this house is not a home
No this house is not a home
No this house is not a home

Without you

Without you

Without you

Without you, hoo

Without you
