Get ready to fly, boy

I wonder what you're thinking  
When you lay your eyes on me  
I wonder if dare to  
Take a chance on me, hey  
Or maybe you're afraid of  
I'd turn you down and walk away  
But baby, let me tell you, I am here to stay

So I wanna know, if you're into me  
And I wanna know, do you feel the way I do?

You've never met a girl like me  
I'm gonna rock your world, you see  
I'll take you up high, boy  
Get ready to fly, boy  
You never met a girl like me  
From now until eternity  
I'll take you up high, boy  
Get ready to fly, boy

I have a good feeling  
You start to reach into my soul  
I wanna take chances  
Wanna lose control, oh-oh  
So if I get lucky, we'd be starting something new  
Maybe tomorrow I wake up with you

So I wanna know, if you're into me  
And I wanna know, do you feel the way I do?

You never met a girl like me  
I'm gonna rock your world, you see  
I'll take you up high, boy  
Get ready to fly, boy  
You never met a girl like me  
From now until eternity  
I'll take you up high, boy  
Get ready to fly, boy

So I wanna know, if you are into me  
And I wanna know, do you feel the way I do?

(You never met a girl like me)  
(I'm gonna rock your world, you see)  
I'll take you up high, boy  
(You never met a girl like me)  
(I'm gonna rock your world, you see)  
I'll take you up high, boy  
Get ready to fly, boy

You never met a girl like me  
I'm gonna rock your world, you see  
I'll take you up high, boy  
Get ready to fly, boy  
You never met a girl like me  
From now until eternity  
I'll take you up high, boy  
Get ready to fly, boy
