I can't believe it's true
I'm in love with you
The beauty of your smile, take my breath away
Another day with you
Boy, you touch my soul
I really want you to be my side
If you're my dream come true

All my love for you
Make me so strong
But you never know, if it's for forever
Tell me what to do, 'cause I want to know
If you're my dream come true

If you could see me now
Walking with a smile
And nothing more to say
Then that I love you
Seven days a week, I think of you
I really want you to be by my side
If you're my dream come true

All my love for you
Make me so strong
But you never know, if it's for forever
Tell me what to do, 'cause I want to know
If you're my dream come true

I will risk all my love for you
Wanna show you that I care
Want to show you, how beautiful life can be

All my love for you
Make me so strong
But you never know, if it's for forever
Tell me what to do, 'cause I want to know
If you're my dream come true

All my love for you
Make me so strong
But you never know, if it's for forever

Tell me what to do, 'cause I want to know
If you're my dream come true

If you're my dream come true
