Uuuh.. oh, oh.. uuh.. I love you

When I cry, feeling down
I know that you're gonna be there for me
If I want you
Too busy to feel it, but our love is eternal
Safe, secure and forever

Oh-oh, when you kiss me, I feel that you miss me
Can it be for real?

If you ever give your heart away
If you ever promise me to stay
I love you forever, oh-oh
Baby when I look into your eyes
All I ever think of is our lives
I love you forever, oh-oh

Nanana.. oh-oh.. nanana

When you breathe, when you smile
You make me stronger than ever
'Cause I'm crazy about you
We're stranded together
Our souls belong to each other
And it feels like we're in heaven

Oh-oh, when you kiss me, I feel that you miss me
Can it be for real?

If you ever give your heart away
If you ever promise me to stay
I love you forever, oh-oh
Baby when I look into your eyes
All I ever think of is our lives
I love you forever, oh-oh

Nanana.. oh-oh.. nanana

If you wanna, I'm gonna
Show you everything

If you wanna, I'm gonna
Give my heart away
If you wanna, I'm gonna
Make you feel alive
If you wanna, we're gonna
Live our lives together

If you ever give your heart away
If you ever promise me to stay
I love you forever, oh-oh
Baby when I look into your eyes
All I ever think of is our lives
I love you forever, oh-oh
