(G. Anderson/J.P. Young/W. Morgan)
Between the devil and the deep blue sea
I wait for Tracy, and she waits for me
Outside my window making eyes at me
She's in the bedroom, gonna set me free
An old girlfriend dropped in for a cup of tea
I let her in, we made it three

And All Hell Broke Loose
All Hell Broke Loose
All Hell Broke Loose
All Hell Broke Loose
All Hell Broke Loose
All Hell Broke Loose
Ow!

Between heaven and this side of hell
I was born a lover, and I do it well
She was younger than her looks would tell
With a little style they carry well
Teenage daughters Eloise and Annabelle
Four of us swinging, ringing like a bell

And All Hell Broke Loose
All Hell Broke Loose
All Hell Broke Loose
All Hell Broke Loose
All Hell Broke Loose
All Hell Broke Loose
Ow!

Swinging, ringing like a bell
Look out, hell's breaking loose
All Hell Broke Loose, ringing like a bell
All Hell Broke Loose, Hells
All Hell Broke Loose, breaking loose
All Hell Broke Loose
All Hell Broke Loose
