(Rose Tattoo)

Thirty days in the county jail
Let me out and I just wanted to wail
Some fool tried to hold me down
I got drunk and I ripped up the town

I'm a bad boy...a bad boy for love
I'm a bad boy...a bad boy for love

Well I...I went around just to see my chick
I found her room and it was candle lit
She's makin' love to another man
I shot 'em both and they locked me in the slam

I'm a bad boy...a bad boy for love
I'm a bad boy...a bad boy for love

Mmm bad...so bad
Well I...I heard the the weather was a local break
It was a chance I just had to take
I jumped the wall and I was on the run
They came after me with a thousand guns

'Cause I'm a bad boy...a bad boy for love
I'm a bad boy...a bad boy for love

Yeah I'm a bad boy...a bad boy for love
Yeah I'm a bad boy...a bad boy for love

Honey I'm bad...thirty years mama
In the county jail...
