Feat. Solomon Childs

[Kung Fu Sample]

You have offended my family..

And you have offended a Shaolin Temple!

{*sounds of swordfight*}

[Remedy]

Laboratory tested and foolproof, inspected

You've just been infected son the dart's been injected

Straight ahead slowly but surely keep steady

My everyday medley is Calm But stay Deadly

Rap potions, free-willed controlled emotions

Earth, wind, fire, air, land, sea and ocean

The rap disease global, blow trees

With the noblest MC's, Wu-Tang Killa Bees

How High? Mass multiply, proven Wu ally

Bobby blessed me with The W and the power to fly

Now I skyscape it, landscape it

Masquerade, hover above and watch these real cats

fake it

[Solomon Childs]

Godfather spit lightenin

Wu-Tang rookie of the year from Body Brighton

Mastermind Killa Bee manhunts, Amsterdam blunts

Legendary dart raves, for live renegades

Bleed for green paper, repair miz

My Killa Bee Swarm split wigs, break ribs

Eighty-eight stick-up kids

High drama, harpoon expert

You see the God, you throw ya shine in ya sweatshirt

Death before over-darted

Me and the microphone barred, never departed

Solomon be retarted, cold hearted

Now you shook but you never, should have started

[Chorus: Remedy (Solomon Childs)]

Eh-yo, where you gonna run to? There's nowhere to

hide

(On some real live manhunt, take it in stride)

We spit nothin but the real shit you bound to get hit

(Takin off the with the torch once it's passed and lit)

Eh-yo, where you gonna run to? (There's nowhere to

hide)

On some real live manhunt (Take it in stride)

We spit nothin but the real shit (You bound to get hit)
Takin off the wit
