Feat. RZA

[Intro: RZA (Remedy)]

Yo, yo, yo..

BOODOODOODOODOODOO

Yo, yo, yo, yo..

(Block 'em)

'Bout to give y'all the Remedy for ya sickness

For y'all 501 Whiteboy hip-hop balloons

My nigga Remedy's the ones we choose son

Let 'em go, yo..

Spazzola , yo..

[Remedy]

Yo, eh-yo, fuck that, the Remedy'll counter-attack

I throw the match on ya hate-stack, actual fact

My life's a trial, government name is on file

B-LOAW! We came outta exile, for miles

I see past the immediate and gaze on the ultimate

Conquered it, Wu affiliate and proud conglomerate

My pen hates all y'all fake rap infiltrates

Terminates, back with a force like angry inmates

We kill tracks East to West, Barracks and back

Pillagin with the Cap, we mix white with black

Concotin the Shaolin deadly toxin

Return of the Killa Bee Swarm in Chessboxin

[Chorus 4X: Remedy]

Reuven Ben Menachum, block 'em, block 'em

[Remedy]

Never Again , Never Again , it's us against them

Uh, peace to Yad Vashem

Now I Declare War on MC's, a rush to the forearm

We form the figure-four and broad-arm

Sulfur solution, Rem-D, six-hundred proofin

Jump into the booth, let off my contribution

Freeze ya, leave ya mouth cotton

Kill you in ya sleep with the seizure

Have you for forgotten?

Fatigue ya, Rem-D spoil ya plans rotten

Leave ya wit amnesia, ya can't hold steady

It's too heavy to you, ain't ready

Reuven Ben Menachum, we Calm But Deadly

Block 'em!

[Chorus 4X]

[Remedy]

Any time in this presence

I strike an image that bears resemblance

No questions, sixty-six new lessons

Rules of engagement, snake fucks fall to the pa
