(Anderson/Jordan)
You can't change the wild boys
You gotta let 'em run
You can't cage a tiger
Or tie an eagle down
You can't tame the wild boys
You just get out their way
You can't turn back the tide
Or tame a hurricane

Saturday night's gotta count for something
Saturday night's gotta be a rage
Saturday night's gotta count for something
Saturday night you get outta ya cage

You can't tame the wild girls
Out there getting kicks
They can't learn the old rules
That make the old world tick
You can't tame the wild girls
They're out there having fun
Can't stay off the beaches
Golden brown in the sun
Saturday night's gotta count for something
Saturday night's gotta be a rage
Saturday night's gotta count for something
Saturday night you get outta ya cage

You can't tame the street kids
They're young 'n' wild and free
You can't change what's happening
They gotta life to live
You can't change what's natural
Those feelings deep inside
You can't change the beat of their heart
That makes them come alive

Saturday night's gotta count for something
Saturday night's gotta be a rage
Saturday night's gotta count for something
Saturday night you get outta ya cage
