(Anderson/Cichon/Beamish)

I only dreamed that I would find  
A loving heart an open mind  
To see the real me  
And I hoped that you would be the one

A chance to talk a chance to grow  
I'll take the risk let my feelings flow  
I've found the words I need to say  
The teacher said you're just a slow achiever

CHORUS

Suddenly you're seeing me  
Just the way I am  
Suddenly you're hearing me  
So I'm talking just as fast as I can  
To you  
Suddenly every part of me needs to know  
Every part of you  
And now I know you are mine  
You bring me love and peace of mind  
You see the real me  
And I know that you're the key

CHORUS - repeat

Suddenly openly you're all I want all I need you to be

Suddenly every part of me needs to know  
Every part of you

Just you, it's you
