(Rose Tattoo)

It's hard when you stumble, it's harder when you fall  
Yes it's hard when you stumble, it's harder when you  
fall

It's hard livin' with a broken heart, it's harder not to love  
at all

It's hard livin' with a broken heart, it's harder not to love  
at all

It's hard when you're humble, it's harder when you  
crawl

It's hard for me to be humble, it's harder when I gotta  
crawl

It's hard eatin' crow, it's harder not eatin' at all

It's hard eatin' crow, it's harder not eatin' at all

I'm goin' down to Texas where the long legged woman  
roam

I'm goin' down to Texas where the big breasted women  
grow

I'm gonna get some Texas pussy gonna rock away all  
night

Gonna roll, yeah some fine lookin' women there

It's hard when you stumble, it's harder when you fall  
Yes it's hard when you stumble, it's harder when you  
fall

It's hard livin' with a broken heart, it's harder not to love  
at all

It's hard livin' with a broken heart, it's harder not to love  
at all

Harder not lovin' at all
