(Anderson/Wells)

Who's got the gold, left someone cold
Done something so bold, who's got the gold
Who's made of crime, stepped out of line
Done something sublime, who's made of crime

Stepping out in the cold and rain
I've seen it before and it still looks the same

Who's got the cash, who's got the cash
Who's got the cash, who's got the cash
Tell me (who's got it)

Who's made a deal, been out to steal
Done something unreal, who's made a deal
Who's been out late, to prowl and rake
Did not hesitate, who's been out late

Stepping out in the cold and rain
I've seen it before and it still looks the same

Who's got the cash, who's got the cash
Sure ain't me!
Who's got the cash, who's got the cash
Tell me (who's got it)
Stepping out in the cold and rain
I've seen it before and it still looks the same

Who's got the cash, who's got the cash
Who's got the cash, who's got the cash
I wanna know who's got it
I wanna know who's got it

I know it's not me who's got it (who's got it)
And I know it's not you who's got it (who's got it)
Somebody, somebody's got it (who's got it)
Someone's got the gold (who's got it)
Someone's got the gold

Who's got the cash
Who's got the cash

Who...who has got the cash
