"Golden Sea"

Felt like strangled in my own bed

But stood up

Nothing, nothing instead

Of staying out of the last hours

Put it all in my endless debt

I'm taking everything I can get

See us trying to hold on what's left of our souls

Now would you believe me

If I said

Felt like crying in my own head

But laughed like nothing

Nothing instead

Of staying out of the last hours

We're young but already so old

Our hearts are filled with doubt and sold

For the highest bidder in this mess we live & die

Now would you believe me

If I said

That it was only a dream

To get stuck in between

Then paint back the rainbow

Through the golden sea

It was only a dream

It was only a dream now

It was only a dream

It was only a dream now

It was only a dream

It was only a dream now

It was only a dream

It was only a dream now

It was only a dream
It was only a dream now
It was only a dream
It was only a dream now
It was only a dream
It was only a dream now
It was only a dream
It was only a dream now
