I think you got it bad now  
(Oh oh oh oh oh you don't know)  
Nobody could take your curse down  
(Oh oh oh oh oh you don't know)  
Kiss good, fuck better, take cover  
(Oh oh oh oh oh you don't know)  
Before they try to find no other  
(Oh oh oh oh oh you don't know)

And you're crying but you're doing it all again

I used to love the tension  
And choke every time you mention  
About your newest light in misery  
(Oh oh oh oh oh you don't know)  
And I spent my time in recovery  
(Oh oh oh oh oh you don't know)

Now you're sorry but so sorry for yourself  
And you're crying but you're doing it all again

And I hang around

Oh oh oh oh oh I don't know  
Oh oh oh oh oh I don't know  
Oh oh oh oh oh I don't know why

Oh oh oh oh oh I don't know  
Oh oh oh oh oh I don't know  
Oh oh oh oh oh I don't know why
