All of my impulse is in vain
Is there a pulse left in my veins?
There's not much left to go on
Seems like I'm too far gone
Oh, can You bring me back again?

Oh oh oh
Oh oh oh
I need You to save me
It's not too late to resuscitate me
Oh oh oh, don't let go
Your touch awakes me
It's not too late to resuscitate me

Mouth to mouth You bring me around
You breathe life into me when I'm on the ground
I'm beat up but not defeated
Wearing thin but not depleted
I'm out cold but I still hear Your sound

Oh oh oh
Oh oh oh
I need You to save me
It's not too late to resuscitate me
Oh oh oh, don't let go
Your touch awakes me
It's not too late to resuscitate me

I might be lost but I'm not a lost cause
I might be lost but I'm not a lost cause
I might be lost but I'm not a lost cause
I might be lost but I'm not a lost cause

Oh oh oh,
I'm barely breathing, I'm barely seeing, I'm barely even
alive
I'm barely breathing, I'm barely seeing, but You can
wake me inside

Oh oh oh
Oh oh oh

I need You to save me
It's not too late to resuscitate me
Oh oh oh, don't let go
Your touch awakes me
It's not too late to resuscitate me
