[Intro/Chorus: Akon]

Girl I can't notice but to  
Notice you, noticin me  
From across the room, I can see it  
And can't stop myself from lookin and  
Noticin you, noticin me  
Watch out I've seen her type before  
That girl is so dangerous, that girl is so DANGEROUS  
That girl is a BAD GIRL~!! I've seen her type before  
She's so dangerous, that girl is so DANGEROUS  
That girl is a BAD GIRL~!! Yeahh

[Kardinal Offishall]

Whoahhhh! An' yeah that's her  
The big dog tryin to get her little kitty to purr  
Ex-man lookin at me like I'm Lucifer  
Cause he knows how I deal with the case YES SIR!  
If I was the last man on Earth  
I would only take that girl in to search  
She give a new definition to the word curve  
Got chicks in the strip club envyin her  
Body's like weapons of mass eruptions  
Sit her glass on that fat obstruction  
Tongue game give a new type seduction  
I'm tryin to give that girl somethin, JAH!!

[Chorus]

[Kardinal Offishall]

Whoahhhh! Bad to the bone  
Everything locked like a two three zone  
I wanted to make my "Black Snake Moan"  
Talk a likkle bit then take that home  
She bad and she know the deal  
That's what I can't hide when she wanna conceal  
I mean Meagan Good and Halle Berry  
put together together ain't close to the dribby I see  
No, no~! No disrespect  
But this gyal upon another level, cut the check  
Tell King, Max stop the press  
Say kid, can I get a witness?

[Chorus]

[Akon]

I see you got that fire  
By the way that you walkin (walkin)  
From left to right I watched her go down  
Girl I just want it right now  
Don't wanna do no talkin (talkin)  
Shorty's so right I need to slow down

[Kardinal Offishall]

Figure eight, good body shape  
When she on the dance floor, gyal dem irate  
When she do her t'ing man can't walk straight  
That biscuit fi soak up e'ry-t'ing on her plate  
Bad heels like Jessica Peete  
I'm tryin to give homegirl Sex and the City-titty  
Itty bitty waistline, moves with the baseline  
One lick of punch, I'm fine - JAH!

[Chorus]
